

May 12 6 p.m. Praise and Prayer

From the Elders

Scott Sager has recently presented a thoughtful and informative lesson on what the New Testament teaches regarding those who might be chosen to serve as elders. We are asking you to carefully consider what you have heard and to follow up with your own prayerful study of the Scriptures to understand the importance and purpose of such an appointment.

For the first time in a good many years, your elders are asking you to submit the name or names of men you believe should be considered for the role of elder in this congregation. We ask you to write a letter or to submit an email explaining why you believe those suggested are equipped for this role. We ask you to sign your letter or email so that we will be able to follow up.

Letters may be mailed to the church office or given to one of the current elders. Emails should be addressed to elders@cocgh.org. We ask that all submissions be received by May 19.

The current elders will review the suggestions and make a final selection. We believe this is an important step and urge you to give it serious and prayerful thought.
